The purpose of this form is to answer the most commonly asked questions during the event. We hope that this will simplify answers and communication for everyone. You will be given more info at Team Check in that will elaborate on some of these subjects.

1) We have read the Rules of Competition and understand and agree to them. We also agree to communicate these rules to our team/ players.

2) We understand that no player is permitted to be in uniform or on the fields during the event unless they completed SCORE notarized medical release form and are on the DEMOSPHERE team roster that we turn in at check in on Feb. 12th and have a valid player pass/ card.

3) We agree that our players, attending parents, coaches and any other representative of the team understand that good sportsmanship is expected at all times. We understand that yellow and red cards will be reported to FYSA or other governing bodies, as required. We agree that any penalty or discipline taken by Score for any violation will be followed.

4) We understand that schedules are done "as the event progresses" and that we will not know our Sunday evening and Monday schedules until (as late as) late Sunday afternoon. Schedules can not progress past the initial 3 games until ALL teams in our age group (not bracket) have completed the first 3 games.

5) We understand that as part of good sportsmanship, we will return to the main tent for trophy and/ or awards presentation immediately following any championship game our team participates in. (Champions & Finalist in every bracket/ color)

6) We are aware that our hotel (if we have housing) has a 2 night min on all rooms during this city-wide event. We understand that check out time is 11am. If we do not show for check in as we scheduled we will still be charged.

7) We understand that we must be prepared to play at our assigned field 15 minutes prior to game time. At the scheduled time, if we are not prepared to take the field and play (with min players), our team will forfeit the game. There will be no rescheduling of games for forfeits. Referee decisions are final per the Rules of Competition.
